Filomena (Mena) Briscoe - of Brampton/Orangeville is elected in the **Builder Category**.

Mena's love of lacrosse began as a student at Alderwood Collegiate in the enthusiastic lacrosse community of Mimico. Once her boys were able to participate in lacrosse she volunteered as team manager for the Brampton Excelsior Lacrosse Club. Mena's two sons and spouse played for, and coached in Brampton

In the late eighties Mena and her family moved to the small town of Orangeville. She became a volunteer with the Orangeville Northmen Minor Lacrosse Association, and served the Northmen organization until 2008. Mena held many positions within the minor executive, the Junior A and Junior B organizations. Registration numbers hovered at 96 when she first became involved in the executive.

Over the next 20 years or so, Mena along with dedicated like-minded volunteers, helped to build the Minor Northmen to be a premier lacrosse center using a customized developmental and operational approach. Minor/major, try-out policies, risk management, coaching selection, and team selection were some of the initiatives Mena pioneered. She was key in the move to Zone 10 which provided the Northmen "A" level competition, and became the platform for many successful seasons. She also championed the Northmen Women's field game. Orangeville was the first girls' field program to provide multiple entry competitive age groups, a great feat for a small town,

Mena was tenacious in bringing all the parties together to revive the Junior B program in Orangeville, after an eleven year hiatus, in order to accommodate the growing number of minor graduating lacrosse players. She started the Under 16 Fall Field program as a pilot with the OLA, to fill a development void in the field program. The program continues to flourish.

In 2010 she returned to help the Brampton Excelsiors Women's Field program, and is passionate when it comes to providing on-going opportunities for girls and women in the game of lacrosse.

She was an inaugural Inductee into the Orangeville Sports Hall of Fame in 2005, an OWFL Coach of the Year Recipient, she was also a recipient of the Bennett Family Coaching award, and both the Jr A and Jr. B Builder of Lacrosse Award with the Northmen.

Mena won the Ontario Minor Field Laurie Montgomery Award and was the Brampton Excelsior recipient of the Bruce Wanless Ambassador Award. Mena was honoured with both the OLA Merv Mackenzie Award and the OLA President's Award. In 2008 Rotary International presented Mena with the Paul Harris Fellow Award. A \$1000 fellowship award was presented to a worthy cause for youth on her behalf.

In 1988 they won their second Founder' Cup title in as many years. 1989 and 1990 saw his team compile a regular season record of 39 and 1, only to lose both years to the eventual Founders' Cup champions, the Orangeville Northmen.

Lawrie was a driving force behind the Braves move to the Junior A ranks in 1991. He is a tireless worker behind the scenes for both the Minor and Junior program in Kitchener-Waterloo. In 2006 he established the Braves Alumni Association, which is involved in many fundraising activities for both the Minor and Junior organizations.
